There are few adventures more thrilling than sailing aboard a tall ship on the open sea. Anyone who's experienced it can tell you—there's this moment when you feel the wind catching the sails just so and suddenly, you're flying. The powerful sensation of being one with nature takes over and leaves you exhilarated, humbled and awed all at once.

As a young child growing up in Sweden, I dreamed of one day designing and building my own brand of modern sailing ships. I consider myself very lucky that I was able to create this reality when I launched Star Clippers in 1991, and as my dreams continue to grow, so does my company. We are thrilled that the newest addition to our fleet, the *Flying Clipper*, will not only be the line's fourth and largest sailing ship but the largest square-rigged sailing vessel in the world.

For more than 25 years, Star Clippers has offered guests a unique way to see favorite destinations in the Caribbean, Mediterranean and Southeast Asia through a different lens. Approaching remote ports onboard a sailing vessel evokes an excitement I imagine early explorers must have felt, but with all the comfort and amenities of a modern ship. We believe that traveling in comfort and style doesn't mean sacrificing the opportunity for real adventure, and vice versa.

We hope you will love our newest itinerary in the Mediterranean, the "Mamma Mia Highlights" sailing through the Greek isles, which pays homage to the popular musical. This seven-night sailing takes guests to "Mamma Mia" film locations, including gorgeous island of Skopelos, home to perhaps the most iconic spot from the movie, the tiny chapel of Agios Ioannis sto Kastri.

Southeast Asia sailings have proven very popular with our guests, and we're happy to announce more ways to explore this fascinating region through new night itineraries between Singapore and Kota Kinabalu, Malaysia with ports of call in Brunei and along the coast of the stunning island of Borneo. A hidden gem of Southeast Asia, Kota Kinabalu is known for its bustling markets, waterfront City Mosque, and also serves as the gateway to Kinabalu National Park where imposing Mount Kinabalu stands at 13,400 feet.

To our new Star Clippers' friends, we're happy you found us, and we look forward to welcoming you onboard. To our long time Star Clippers' family, I offer you a warm welcome back. I am grateful for your loyalty, as you are an intrinsic part of our company's success, and I hope you love our new itineraries as much as I do.

Until then, I wish you fair winds and a following sea.

LIFE ONBOARD

NO RIGID SCHEDULES

Up on deck, watch the sun drop slowly into the deep blue ocean, as seagulls circle one last time in the sky. Gather around the Piano Bar and sing a few favorite tunes. In the Tropical Bar, the bartender mixes a shaker full of some delicious drinks, as guests happily chat about their day. Is there anything more peaceful than this? Clearly, this is not a cruise ship in the ordinary sense. On Star Clippers you will find that there are no rigid schedules and no overwhelming sense that there's not enough time. You are free to do as you wish. Decide how to spend your time onboard—fill your day with activities or nothing at all.

LOCAL ENTERTAINMENT

For entertainment, we bring local performers onboard to give guests an authentic taste of the local music and arts. So, rather than enduring another Las Vegas-style show, you can enjoy the friendliness of fellow shipmates while a live band plays melodious tunes.

CASUAL EVENTS & ACTIVITIES

The Captain and crew are nearby to make sure you have the kind of lighthearted fun you'll only find on Star Clippers. The Captain's daily briefing on deck is captivating and informative. It'll give you a chance to hear some great adventures from our enthusiastic leaders. And there are other events and activities, such as knot tying and navigation classes, that have evolved from Star Clippers' sailing tradition. In fact, our guests tell us that it's the laid-back casual ambience of Star Clippers that makes a cruise with us all the more enjoyable and the not-to-be-missed overall sailing experience.

CULINARY DELIGHTS

SAVORY BREAKFAST

Help yourself to a continental breakfast with croissants and pastries, or enjoy a full breakfast with fresh tropical fruits, grilled meats and savory omelets cooked to perfection.

LUNCH & AFTERNOON SMORGASBORDS

A LA CARTE DINNER - NO SUIT REQUIRED

Each course on our a la carte menu, which changes nightly, is designed to indulge your senses. On all our ships, feel free to dine whenever and with whom you want—including our Officers, who join the guests in the dining room each night. No need for formal gowns and black tie here, casual elegance is acceptable day and night.

CARIBBEAN & PANAMA

The turquoise waters of the Caribbean are an ideal backdrop for a classic tall ship sailing. The warm weather, gentle breezes, and relaxed ambiance give you a true feel for the rhythm of the islands. Exploring them further through ports and excursions designed to immerse you in the history, culture and cuisine casts further light on why the Caribbean is such a popular sailing destination each year.

Our sailing vessels, *Royal Clipper* and *Star Flyer*, take you on a journey into the Caribbean Sea. You will navigate to the Leeward Islands in the north and south as well as the Windward Islands, nestled between, in the east. Each island is filled with character and a variety of immersive activities popular in its own way. Snorkeling enthusiasts will fall in love with Guadeloupe's natural underwater splendor in the backdrop of a magnificent volcano. Stroll through picturesque Martinique and enjoy its rich history and charming French culture. St. Vincent and the Grenadines offer an exquisite local food scene, botanical gardens for the nature-lover, and beautiful colonial architecture.

Whether relaxing on the miles of sandy beaches or traversing the inner corners of the islands, sailing with Star Clippers only gets better once you board and experience the Caribbean, yourself, as a sailor. Enjoy another adventure with *Royal Clipper* and *Star Flyer* as they make a stop at the charming ABC islands— Aruba, Bonaire and Curaçao-- on the northern tip of South America and then pass through the "Crossroads of the World"-- the Panama Canal. Considered a great feat of engineering in connecting the Atlantic and Pacific Oceans, this 48-mile canal is an enthralling historical sojourn among the wildlife, flora, and fauna of Panama as the ships make their way through the locks. A never-to-be-missed event if you're fortunate enough to experience it!

DESHAIES, GUADELOUPE

SOUTHEAST ASIA

The clear blue waters around Indonesia and Thailand represent a magical corner of the globe that adventurous travelers treasure for its pristine beaches and natural beauty. Sailing in this tropical paradise allows for plenty of beach time, but also offers opportunities to explore ancient temples and ruins, wild jungles and vibrant cities alike. Not to mention the diving and snorkeling in this region, which is known to be some of the best in the world.

November through April, *Star Clipper* offers north and southbound sailings out of Phuket, visiting worthy ports of call in Thailand, Malaysia and Singapore. Highlights include sailing into the famous Patong Bay with its sheer limestone crags and crystal clear blue water, visiting iconic “James Bond Island” in Phang Nga Bay and exploring Langkawi in Malaysia, an area known for its abundantly populated wildlife, rainforests, and a chance encounter with mischievous monkeys. On our 7- to 14- night itineraries, take in Singapore’s famed cuisine from food and market stalls or trendy eateries and bistros.

In May, *Star Clipper* heads to exotic Borneo for two new itineraries to bookend the summer season: 10- and 11-night sailings between Singapore and Kota Kinabalu, the capital of Malaysia’s Sabah state in the northern part of the island of Borneo. In Kota Kinabalu—or KK as the locals call it—wander through the bustling markets and modern boardwalks, or check out the budding arts and music scene. The city also serves as the gateway to Kinabalu National Park where Mount Kinabalu stands at 13,400 feet, Malaysia’s tallest peak and a mecca for climbers. Other highlights include Bandar Seri Begawan, home to the world’s largest water village, and a visit to the breathtaking, uninhabited island of Pulau Tiga.

Star Clipper starts a full season of exploring Indonesia - the “Emerald of the Equator” - in June, after a 14- night sailing crossing from Singapore to the spice island of Bali. The season, with options ranging between 7- and 11- nights, have a variety of itineraries exploring the islands of the Indonesian archipelago. These voyages provide a vibrant mix of culture and natural beauty including the dramatic volcanic scenery at Mount Bromo, the crater lake of Satonda, Borobudur Temple at Semarang, Retenggaro village on Sumba Island, the dragons of Komodo and the beautiful corals and sandy beaches of the Gili Islands.

Once a hallmark of glamorous, upscale travel, an ocean crossing remains one of travel's most iconic experiences to this day. Commune with the ocean to find your inner bliss as you feel the gentle wind on your face. Seek out a quiet sanctuary on deck where you can time at your own leisure, and enjoy the authentic experience of crossing the ocean on a true sailing ship.

The world's largest full-rigged sailing ship, *Royal Clipper*, will travel to Barbados in October, 2018 and 2019 on an epic 28-night voyage that includes stops in Corsica, Spain, Morocco and Portugal before arriving in historic Bridgetown. Love the idea of the transatlantic sailing but want a shorter journey? We also offer a 16-night version out of Lisbon that pays call on ports in Spain and Morocco along the way. *Star Flyer* will sail from Las Palmas or Malaga to Barbados in November of 2018 and October 2019 on a 15- or 23-night westbound ocean crossing itinerary, while in March of 2019 she will sail eastbound from St. Maarten to Malaga for 20 nights.

All our ocean crossing itineraries allow you to experience the uninhibited thrill of traversing a boundless ocean under sail. Imagine long lazy days at sea chasing the horizon, relaxing under a blanket of stars and taking in the ocean's salty fragrance. Relish in the time-out-of-mind sensation of watching the water stretch below as you lay in the bowsprit netting and gaze at an infinite sea, feel the steadying power of the sails as they capture the energy of the wind and power your ship through the expanse of the ocean. Make this your year for the ultimate in sailing— a crossing aboard Star Clippers.

SAFI, MOROCCO

EUROPE

The Mediterranean Sea was an important route for travelers during ancient times, allowing for the convergence of ideas, commerce, architecture, and cuisine between the countries lining its shores. Today, this storied history translates to a diverse region rich in culture where the old world meets new. Star Clippers sailings here pay call on more than 10 countries in the Eastern and Western Mediterranean and allow you to experience this area the way it was meant to be seen, from on board a classic tall ship.

Fans of the iconic blockbuster *Mamma Mia* will be thrilled to learn about our newest Mediterranean sailing in 2019 – the seven-night “*Mamma Mia* Highlights” itineraries. Sail to the gorgeous islands where the movie was shot, including Skopelos to visit the most iconic *Mamma Mia* location—the tiny cliff side chapel where Sophie was to be married—as well as the sweeping view from “Villa Donna.” You’ll also call on Skiathos, where the charming Old Port was the setting for the scene where the three fathers meet for the first time.

Idyllic ports of call in Malta, Italy, Croatia, Greece and Turkey are also on tap through a variety of four to 11- night sailings in the Eastern Mediterranean. Stroll along the tranquil beach on Elafonisos and admire the blue-green waters. Discover Malta on a stroll through the walled city in Valetta dating back to the 16th century. Get romantic in Venice as you glide in a gondola down the Grand Canal. Sail to Bodrum and visit St. Peter’s Castle, a medieval fortress that overlooks the bay in Turkey. Or delight in the aromatic scent of lavender when you visit Hvar, Croatia, a favorite getaway dating back to the time of the Romans.

Options abound in the Western Mediterranean, with itineraries spanning three to 11 nights and calling on ports in Spain, France, Italy and Corsica, to name a few. Racing fans of all ages will want to check out our Monaco Grand Prix sailings in May, which put you in port in time to catch one of the world’s most beloved sporting events. Imagine sailing around the French and Italian Riviera, with your only decision being whether to spend your time on the sun-drenched beaches or wandering the streets of the charming ports. With departures out of Rome, Cannes, and Venice, to name a few, a Star Clippers sailing in the Western Med offers the best of beloved cosmopolitan cities and far flung ports for a perfectly well-rounded getaway.

GRAND VOYAGES

The term 'Grand Voyage' evokes images of days gone by when sailing oceans and seas, exploring distant countries and waking up in different ports of call each morning was an adventure in its own right. Star Clippers is happy to continue this tradition with our epic, 12 to 17-night extended itineraries in the Eastern and Western Mediterranean. With no more than three days at sea in any one voyage, you will have more time to walk among ancient ruins, appreciate landscapes and panoramic views from atop hills and mountains, taste the local cuisine, and immerse yourself in cultures—all in the name of curiosity and discovery while enjoying the life of a true sailor.

These journeys are a testament to the skill and experience of the *Royal Clipper* and *Star Flyer*, which sail to an impressive collection of ports including tiny islets of the Greek Isles, the stunning Balearic Islands off of Eastern Spain, quixotic tiny port towns along the Italian Riviera and the stylish mix of French and Italian influence in the geographically diversified coastal villages of Corsica.

Aside from the eclectic mix of ports and excursions full of fascinating encounters, the onboard experience will enhance your time with your fellow shipmates, staff and crew. Thoughtfully planned, varied, and uniquely Star Clippers, Grand Voyages are indeed trips of a lifetime.

Love the idea of a Grand Voyage but want to create your own itinerary? Combine one or more back to back sailings on any of our itineraries and take 5% off the second (or more!) consecutive cruise (restrictions apply).

AIR PROGRAM INFORMATION

As a convenience to our passengers, Star Clippers Americas is pleased to offer our air & sea program featuring roundtrip economy class air from many U.S. gateways to and from your port of embarkation & disembarkation. Final confirmation of flights will occur within 45 days of departure. Airline schedules may require an overnight stay in order to reach your embarkation and/or disembarkation destination. The hotel and other expenses associated with required overnight stays are the responsibility of the passenger. Star Clippers Americas airfares are based on capacity-controlled contracts and promotional fares, so make your requests as early as possible to ensure availability. If contract fares are not available, passengers will be charged the difference between the contract rate and the actual airfare available. Some airlines will allow you to accumulate air miles with the air tickets that Star Clippers Americas provides. Please check with the airline. No upgrades to First or Business Class, using frequent flyer miles, are allowed when combined with our contract airfares. Star Clippers Americas reserves the right to choose the airline carrier, routing and schedule from each city, and the right to substitute charter or commuter flights for scheduled service or vice versa. All fares, routes and schedules are subject to availability and to change without notice. Star Clippers Americas makes arrangements for air transportation in connection with these special fare programs solely as a convenience to our passengers. Star Clippers Americas is not and will not be responsible for any cancellations, rerouting or other disruption of scheduled services, for any expenses or other consequences resulting from inclement weather, strikes, changes/delays in the ship's schedule or a change/delay in the schedule or rerouting made by a passenger, travel agent, or airline. In such events, every effort will be made to assist passengers in securing alternate flight arrangements. The services and responsibilities of the air carriers are subject to the terms of the fares published or filed by such carriers. All passengers are advised to reconfirm their flights with the appropriate airline at least 72 hours prior to departure as flight scheduled may change after the air tickets are issued. Passenger should contact the airline for seat assignments. Lost, stolen or misplaced tickets are the sole responsibility of the passengers. All airline tickets provided by this program are not endorsable, cannot be

rerouted, reissued or exchanged for those of another carrier and can only be refunded by Star Clippers Americas. Any airline penalties resulting from the cancellation or changes to the air arrangements are the responsibility of the passenger. Once air tickets have been issued, a \$100 per person administrative fee, in addition to applicable airline penalties, will be assessed by Star Clippers Americas for any cancellations or changes requested by the passenger.

NAME CHANGES: Changes to airline tickets are subject to approval by the airline. In some cases, name corrections may result in the loss of original airline reservations and a minimum change fee of \$100 per person may be assessed by Star Clippers Americas; Alternate carriers and schedules may then be substituted at our discretion.

CUSTOM AIR ARRANGEMENTS & CHARGES: As a convenience to our passengers Star Clippers Americas offers added flexibility in making air arrangements to and from our cruises. We seek to accommodate customer air arrangements to or from your port of embarkation or disembarkation on dates other than those usually booked. Requests for Business or First-Class fares or custom air schedules/deviations are required in writing. The minimum non-refundable custom-air/deviation charge is \$100 per person plus any additional airfare incurred. Additional change request will be subject to a new non-refundable custom-air/deviation charge of \$100 per person. The passenger will be responsible for any additional airfare related to the requested change. Our ability to confirm requests will depend on airline availability and advance notice of the request.

INDEPENDENT AIR ARRANGEMENTS

Please inquire with your reservations agent about the appropriate embarkation time. Inbound flights normally should accommodate a sailing time of 10pm for most ports except Venice sailing time which is at 7:30pm. Embarkation time is normally 4pm.
